

SUN SAFETY POLICY

At St. John's Sunshine Pre School children's health and safety is paramount. Therefore, we ask that during hot periods and the summer months that you provide your child with the following;

- Sun hat.
- Sun cream- this is to be applied prior to attending Pre School. If, however your child is staying for the afternoons, when available, we are happy for you to supply a named sun cream in their bag and we will help apply this.
- An extra named water bottle.
- For your child to wear appropriate clothing for the conditions.
